The Living Prayers of the Great Shaykhs

By Shaykh Muhammad Al-Akili

A unique collection of prayers, invocations, supplications
& Salawāt upon Allah's Messenger Muhammad (ﷺ)

Arabic - English Text

Regular Muslim prayers are enjoined upon us by Almighty Allah. To further one's spiritual development and understanding of the Quranic message and traditions of our Prophet (uwpb), we also must follow the prophetic sunna of Allah's messenger (uwpb), and the sunna of his righteous califs, and our peers, the learned mashayekh of the succeeding centuries.

- The supplications of Allah's Prophet (uwpb) were additions to the supererogatory (Nafl) prayers, and were used by him in public, during the Friday's Jumu'a congregational prayers, in private, as well as on other daily occasions. He also taught the same to his family and companions.
- This unique book offers extensive prayers, invocations, and supplications for one's spiritual progress and daily needs. The invocations provided in this book are also unique because they were the invocations of the great Mashayekh and scholars (*taabi'een*) of the early centuries

of Islam, including the illustrious shaykhs: Ahmad al-Rifai, Abu' Hassan al-Shathili, Abdul-Qadir Gilani, Maoulana Abdulla Al-Daghistani, Dasuqi, Bayumi, al-Durayni, Sidi Ahmad al-Alawi, al-Durdayr, and Burhanu Deen al-Zarqani, among others, may Allah be pleased with them.

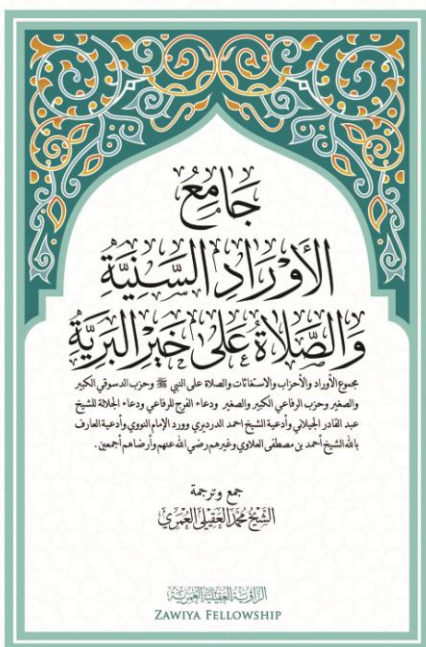

- Besides their personal invocations, supplications, and Salawāt, most of the prayers of these renowned shaykhs were drawn from the Holy Qur'an and its inner meanings, as well as from the prayers and invocations of Allah's Messenger Muhammad (uwpb).
- These special prayers must be recited with a great purity of intention and focus, and particularly during the night *tahajjud* prayers, doing so will bring nearness to Allah, the most exalted. With them, Allah's messenger (uwpb) taught his companions to seek refuge in Allah's protection from the evil of this world, divine guardianship against calamities, protection against deviation from the path, prayers for the alleviation of oppression, protection for one's health, and the welfare of the family, and more..
- The prayers, invocations, and supplications included in this special book of Pearl's Spiritual Classic Collection also reveal deep knowledge of one's Lord. These invocations are taught to the true seekers on the path by their shaykhs even unto this day.
